

**Beware  
of Dialer  
Codes such  
as \*401#  
or \*401\***

**Did you  
know dialing  
\*401# or  
\*401\*** followed  
by an unknown  
number activates  
unconditional  
call forwarding to  
unknown numbers?

**This allows  
fraudsters to  
receive all your  
incoming calls  
and can be used  
for fraud.**

**Avoid dialing \*401# or \*401\* followed  
by an unknown mobile number.**

If you're uncertain whether call forwarding has been activated without your knowledge, the same can be verified and deactivated in your 'Phone settings'

Report suspicious activity to National Cyber Crime reporting portal (<https://cybercrime.gov.in/>) or call National Cyber crime helpline number: **1930**

Canara Bank customers may also report the same to our customer care number 1800 1030
