1	21	Eligibility Criteria	2	The Bidder should have average turnover of Rs. 50 Cr. In last 3 FY from its Indian operations. This must be individual company turnover and not of any group of companies.	We are a MSME registered company and as per the MSME relaxation, we request an amendment to the turnover requirement for the preceding three financial years, seeking an adjustment from Rs. 50 Cr. to Rs. 25 Cr.	Bidder to refer Corrigendum-1.
2	34	Annexure-12	SI.No 6	The agency should have the robust IT infrastructure to cater to the needs of collecting online applications through web portal. Such portal should have facility to register a new candidate using his email id and mobile number and facility to allot the password/ change the password after registration and other features required for recruitment. The capability of such infrastructure should be to hold minimum 1000 concurrent user logins. Availability of IT infrastructure referred above shall be demonstrated to Bank by providing required credentials. (self declaration shall be provided in Company's Letter Head)	There is a requirement for IT Infrastructure to collect online application. Please let us know if we can have an alternative process that will include different ids monitored by our consultants for web responses. We have done a similar process for another Government client	The requirement of IT Infrastructure will be project wise and depends on the type of post & number of applications for each project. The specifics of the IT Infrastructure may be required at the time of initiation of any project. Hence the Consultant is required to possess the required IT Infrastructure. If dedicated E-mail ids are allotted for each post, tracking of each application would be difficult in case of more number of applications. Bidder to comply with EOI terms and conditions.
