## **REVIVAL AND REHABILITATION OF SICK MSE UNITS**

Timely and adequate assistance to potentially viable Micro and Small Enterprises which have already become sick or are likely to become sick is an issue of utmost importance not only from the point of view of the Bank but also for the improvement of affected MSME clients and the National Economy.

Sick Unit Identificationfor three months or more OR There is erosion in the net worth due to accumulated losses to the extent of 50 % of its net worth during the previous accounting year.ViabilityThe decision on viability of the unit will be taken at the earliest but not later than 3 months of the unit becoming sick under any circumstances.Micro Enterprises: Rephasing the existing loans into repayment in convenien instalments payable in next 5 to 7 years. Small Enterprises The repayment programme of the existing term loans in rephased/rescheduled so as to be repaid within a maximum period of 10 years.Reliefs/ConcessionsConsidering Working Capital Term Loan, Funded Interes Term Loan, Deferment of Interest and Fresh Finance are	Hand Holding Stage	Bank is extending hand holding support for the Incipient Sickness MSE units. On identification of Sick MSE Units, within the stipulated time frame the viability of the unit will be decided by the Bank and relief and concession shall be extended depending upon the situations.
