GENERAL RULES AND INSTRUCTIONS FOR THE GUIDANCE OF TENDERER

1. Sealed Tenders are invited from contractors satisfying the eligibility criteria as specified in the tender, on behalf of the Canara Bank, Premises & Estate Section, 2nd floor, B wing, Circle office, Mumbai hereinafter known as the Employer and also as Bank, for the work of operation and non- comprehensive maintenance of various building services such as electrical installation, Substation work, Motor & dewatering Pumps, Lifts, CCTV, fire fighting & fire detection work, plumbing work, Gardening work, STP etc as detailed in the scope of the work in Circle office building at Plot No. C-14, 'G' block, Bandra Kurla Complex, Bandra (East), Mumbai.
2. Tender documents consisting of specifications, schedule of operators required for various services to be done. The set of terms and conditions of contract to be complied by the contractor whose tender may be accepted and other necessary documents can be downloaded from our Banks website www.canarabank.com.

The site of operation and maintenance is at above mentioned address. The site for the work is available for immediate commencement of work or shall be made available at mutually agreed date for commencement of work.

3. The tender is two Bid concept as detailed below:

- 3.1. The two bids are classified as,
 - (1). The Technical & Commercial Bid and
 - (2). The Price Bid.

- 3.2. The first envelope super-scribed as "Technical & commercial Bid " should be submitted in a sealed envelope containing all the following details:

- i). All the schedules of the tender document, technical & commercial details of the subject tender and application format other than Price bid.
- ii). The tender, (i.e. in the envelope containing the Technical Bid) shall be accompanied by earnest money and application fee as mentioned elsewhere in the documents by way of Demand Draft of a Scheduled Bank issued in favour of "Canara Bank Circle Office " payable at Mumbai.
- iii). A photocopy of the Price Bid with the prices masked shall be attached in Technical Bid as **'masked price bid' including the break up details of manpower cost** . Technical Bid without 'masked price bid' will be liable for rejection.

4. **No interest shall be allowed on the Earnest Money. Tenders without Earnest Money shall be liable for rejection.** The EMD of the contractor whose tender is accepted, shall be forfeited in full in case he does not start the work by the stipulated date mentioned in the award letter.

EMD SHOULD BE SUBMITTED ALONG WITH THE TECHNICAL & COMMERCIAL BID. SUBMISSION OF THE EMD IN THE PRICE BID ENVELOPE SHALL RENDER THE TENDER BEING REJECTED ON THE GROUNDS OF NON SUBMISSION OF THE EMD.

5. The second envelope super scribed as "Price Bid" should be sealed and submitted on the same given date and time simultaneously along with technical & commercial bid. Non submission of the same along with technical and commercial bid shall automatically render the entire tender being rejected. This envelope i.e. Price bid should be duly filled in with values written in words and figures, and as detailed elsewhere in the tender documents.

5.1 The separately sealed envelopes containing Technical Bid and Price Bid for operation and maintenance of various Building service equipments/ installations at Circle Office Building, Mumbai shall be placed and sealed in another big outer envelope superscripted on the top of the envelope as "Offer for operation and non- comprehensive maintenance of various Building service equipments/ installations at Circle Office Building, Mumbai". The Name of the Bidder and due date for submission is to be specifically mentioned on the top of the envelope. The tender should be submitted to the **DIVISIONAL MANAGER, Canara Bank, Circle office, Premises & Estate Section, 2nd floor, B wing, Plot No C-14, "G' Block, Bandra Kurla Complex, Bandra (E), Mumbai-400 051.**

6. The contractor should quote in figures as well as in words the rate, and amount tendered by them. The amount for each item should be worked out and the requisite totals given. The rates quoted shall be all inclusive rates for the item of work described, including labour, tools & equipments, carriage & transport, supervision, overheads & profits, mobilising and other charges whatsoever including any anticipated or un-anticipated difficulties etc. complete for proper execution of the work as per drawings and specifications and no claim whatsoever for any extra payment shall be maintainable. The break up details of manpower cost shall be provided as per format in the price bid.

7. When a contractor signs a tender in an Indian language and the tendered amount and the total amount tendered should also be written in the same language. In the case of illiterate contractors the rates or the amounts tendered should be attested by a witness.

8. Issue of tender form / documents is as per the NIT.

9. The acceptance of a tender will rest with the Employer which does not bind itself to accept the lowest tender, and reserves itself the authority to reject any or all of the tenders received without assigning any reason. All tenders in which any of the prescribed conditions are not fulfilled or are incomplete in any respect or conditional tenders are liable to be rejected. Incomplete tender shall summarily be rejected.

10. THE EMPLOYER RESERVES THE RIGHT TO ACCEPT THE TENDER IN FULL OR IN PART AND THE TENDERER SHALL HAVE NO CLAIM FOR REVISION OF RATES/OTHER CONDITIONS IF HIS TENDER IS ACCEPTED IN PART.

11. Canvassing in connection with tenders is strictly prohibited and the tenders submitted by the contractors who resort to canvassing will be liable for rejection.

12. All rates shall be quoted on the proper form of the tender alone. Quoted rates and units different from prescribed in the tender schedule (Price Bid) will be liable for rejection.

13.1 Special care should be taken to write the rates in figures as well as in words and the amounts in figures only, in such a way that interpolation is not possible. The total amount should be written both in figures and in words. In case of figures, the words `Rs.' should be written before the figure of rupees and words `P' after the decimal figures, e.g. Rs.2.15 "P" and in case of words, the word `Rupees' should precede and the word `Paise' should be written at the end, unless the rate is in whole rupees and followed by the words `only' it should be invariably be up to two decimal places. While quoting the rate is in schedule of quantities, the word `only' should be written closely following the amount and it should not be written in the next line. However, if a discrepancy is found;

i) The rates which correspond with the amount worked out by the tenderer shall unless otherwise proved be taken as correct (OR)

ii) If the amount of an item is not worked out by the tenderer or it does not correspond with the rates written either in figures or in words then the rate quoted by the tenderer in words shall be taken as correct (OR)

iii) Where the rates quoted by the tenderer in figures and in words tally but the amount is not worked out correctly, the rates quoted by the tenderer will unless otherwise prove be taken as correct and not the amount.

13.2 All corrections such as cuttings, interpolations, omissions and over-writings shall be numbered as `c', `i', `o' and `ow' and initialed and total of such c, i, o and ow on each page certified at the end of the page with grand total at the end of the bill/schedule of quantities.

14. APPLICABLE GOODS AND SERVICE TAX SHALL BE PAID EXTRA AS PER THE PREVAILNG NORMS. CONTRACTOR SHOULD PRODUCE GST REGISTRATION NUMBER. THE OFFERS WITHOUT GST NUMBER WILL BE SUMMARILY REJECTED. Applicable TDS will be deducted while making the payment.

15. The contractor shall give a list of his relatives, if any, working with the Employer along with their designations and addresses.

16. No employee of the employer is allowed to work as a contractor for a period of 2 years of his/her retirement from the employer services, without the previous permission of the employer. This contract is liable to be cancelled if either the contractor or any of his employees is found at any time to be such a person who had not obtained the permission of the employer as aforesaid before submission of the tender or engagement in the contractor's service.

17. The tender for the works shall remain open for acceptance for a period of 180 days from the date of opening of tenders. If any tenderer withdraws his tender before the said period or makes any modifications in the terms and conditions of the tender which are not acceptable to the Employer, then the Employer shall, without prejudice to any other right or remedy, be at liberty to forfeit full value of the earnest money as aforesaid.

18. The tender for the work shall not be witnessed by a contractor or contractors who himself / themselves has / have tendered or who may and had/have tendered for the same work. Failure to observe this condition would render tenders of the contractors tendering as well as witnessing the tender liable to summary rejection.

19. It will be obligatory on the part of the tenderer to tender and sign the tendered documents for all the component parts and that, after the work is awarded, he / they will have to enter into an agreement for each component with the competent authority of the Employer.

20. Further the tenderer shall agree that until a formal agreement on stamp paper of Rs. 500/- is prepared and signed, this tender shall constitute a binding contract between the tenderer and the Employer.

21. The tenderer, apart from being a competent contractor must associate himself with agencies of appropriate class who are eligible to tender for other related works connected directly or indirectly with the contract and employed by the employer.

22.1 Tenderer are advised to inspect and examine the site and its surroundings and satisfy themselves before submitting their tenders as to the nature of the site and nature of the works to be carried out and obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their tender. No Extra Charges will be payable on account of this.

22.2 A tenderer shall be deemed to have full knowledge of the site whether he inspects it or not and no extra charges consequent on any misunderstanding or otherwise shall be allowed. Submission of a tender by a tenderer implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the work to be done and local conditions and other factors bearing on the execution of the work.

23. On acceptance of the tender, the name of the accredited representative(s) of the contractor who would be responsible for taking instructions from the Employer shall be communicated to the Employer.

24. Method of Evaluation of tender: All the competitive tenders will be received on the specified date and time. On the same day or on specified date & time in event of any compelling circumstances, the tender will be opened in the presence of the available tenderer.

24.1 Both the envelope superscribed as " Technical & Commercial Bid" and "Price Bid " will be simultaneously accepted, but the envelope superscribed as "Technical & Commercial Bid " alone will be opened and details of EMD etc., shall be recorded, while the Price Bid shall be maintained in the safe custody of the Employer.

24.2 Incomplete offers and offers not accompanied by the mandatory documents and EMD shall be rejected.

24.4 After the technical evaluation, such of those tenderer found technically acceptable will be short listed and their envelope containing " Price Bid " shall be opened on a given date and time in presence of the short listed tenderers with prior notice to them. The tenderers are expected to attend the tender opening and their inability in participating will not in any way prevent the employer undertaking the opening of the bids.

24.5 During the course of technical evaluation if found necessary the Employer / Consultant may seek supplementary price bids to bring the evaluation at par and any such price bids shall be prepared as stated in the tender and submitted in sealed envelopes superscribing "Supplementary Price Bid for the project of". Such supplementary price bid shall be opened simultaneously with the original price bid on the prescribed date and taken into consideration in its evaluation.

24.6 Voluntary submission of the supplementary price bid by the contractor / tenderer shall not be accepted and supplementary bids shall be limited to the details sought for by the Employer / consultant only. Any other un-related price variations furnished in supplementary price bids shall not be recognised and might be liable for rejections if undue information are furnished.

24.7 In case of other un-successful tenderers, the sealed Price bid along with EMD shall be returned treating it individually. The Employer reserves the right to accept or reject any of the offer's without assigning any reason and no dispute or negotiation will be entertained in this regard. The Employer's decision will be final in the matter.

25. The notice inviting tender, general rules & instructions for the guidance of tenderers shall form a part of the contract document. The successful tenderer/contractor, on acceptance of his tender by the Accepting Authority, shall, within 14 days from the stipulated date of start of the work sign on a stamp paper the contract consisting of :-

(a) Standard form of Agreement on stamp paper.

(b) Notice inviting tender, all the documents including tender, forming the tender as issued at the time of invitation of tender and acceptance thereof together with any correspondence leading thereto. General Conditions, Schedules leading to Technical Specification, Special Conditions, Technical Brochures in schedules submitted by the tenderer etc.,

(c) Price Bid / Schedule Bill of Quantities.

26. The successful bidder should submit the details of the manpower, their experience and Curriculum Vitae for necessary approval of the Bank within 14 days from the date of the award of the work.

27. The Contractor shall bring out any objections or any other additional services which shall be extended by them under the scope of work in the technical and commercial bid itself.

28. Bank reserves the right to increase/decrease the manpower as per the requirement by paying or reducing the similar amount quoted by the vendor for manpower of that category.

29. The pre bid meeting will be held on specified date as stated elsewhere in the tender document to clarify the points/ doubts in respect of the tender documents. The points requiring clarifications and any doubts shall be given in writing at least one day prior to the pre bid meeting and sent to the address mentioned above in 5.2. **Only Authorized representatives of interested service providers shall be present during the scheduled time with authorization letter.** The Bank shall clarify the queries during the pre-bid meeting followed by confirmation in Banks website. No individual consultation / communications shall be entertained. Tenderer shall submit the Technical Bid along with the addendum (uploaded in the Bank website) furnished by the Bank after Pre Bid meeting. Technical Bid not containing the addendum shall be liable for rejection.

30. The prices quoted by the tenderers must comply the Government norms.

22.4 Within one month of receipt of notice from any party to the contract for appointment of the Arbitrator the Appellant Authority, in charge of the work at the time of such appointment shall send to the tenderer a panel of three names of persons who shall not presently be connected with the work. The tenderer shall within fifteen days of receipt of this list select and communicate to the Appellant Authority the name of one person from the list who shall then be appointed as the sole arbitrator by the Appellant Authority.

22.5 If tenderer fails to communicate his selection of name, within the stipulated period, the Appellant Authority shall without delay select one person from the list and appoint him as Sole Arbitrator. If the Appellant Authority fails to send such a list within one month as stipulated, the tenderer shall send a similar list to the Appellant Authority within 15 days. The Appellant Authority shall then select one person from the list and appoint him as the

Sole Arbitrator within 30 days of the receipt of the list. If the Appellant Authority fails to do so the tenderer shall communicate to the Appellant Authority the name of one officer from the list who shall then be the Sole Arbitrator.

22.6 If the Arbitrator so appointed is unable or unwilling to act or resigns his appointment or vacates his office due to any reason whatsoever another sole Arbitrator shall be appointed in the manner aforesaid. Such person shall be entitled to proceed with the reference from the stage at which it was left by his predecessor.

22.7 It is a term of this contract that the party invoking arbitration shall give a list of disputes with amounts claimed in respect of each such dispute along with the notice for appointment of arbitrator and giving reference to the rejection by the Appellant Authority of the appeal and a copy of his notice(s) of intention to refer the dispute to arbitration of such disputes as mentioned in Part (ii) above failing which the notice for appointment of the Arbitrator shall not be treated as notice for appointing the arbitrator.

22.8 It is also a term of this contract that no person other than a person appointed by Appellant Authority, in charge of the work as aforesaid should act as arbitrator and if for any reason that is not possible, the matter shall not be referred to arbitration at all.

22.9 It is also a term of the contract that if the tenderer does not make any demand for appointment of arbitration in respect of any claims in writing as aforesaid within 90 days of receiving the intimation from the Employer that the final bill is ready for payment, the claim of the contractor shall be deemed to have been waived and absolutely barred and the Employer shall be discharged and released of all liabilities under the contract in respect of these claims. No party shall be entitled to bring any claim to arbitration if the arbitrator has not been appointed before the expiry of sixty days after defect liability period.

22.10 The arbitration shall be conducted in accordance with the provisions of the Indian Arbitration Act, 1996, or any statutory modification or re-enactment thereof and the rules made there under and for the time being in force shall apply to the arbitration proceeding under this clause.

22.11 The arbitrator may from time to time with the consent of the parties enlarge the time for making and publishing the award.

22.12 It is also a term of the contract that any fees TA, DA and other charges are payable to the Arbitrator shall be paid by both the parties equally.

22.13 It is also a term of the contract that the Arbitrator shall be deemed to have entered on the reference on the date of first hearing. The venue of the arbitration shall be such a place as may be fixed by the Arbitrator in his sole discretion. The fees, and charges of the Arbitrator shall, if required to be paid before the award is made and published, be paid half and half by each of the parties. The cost of the reference and of the award (including the fees, if any, of the Arbitrator) shall be in the discretion of the Arbitrator who may direct to and by whom and in what manner, such costs or any part thereof shall be paid and fix or settle the amount of costs to be so paid.

2. The voltage, supply, total load current and P.F. should be noted in log book every day, preferable during peak loading time of the day.
3. The fixing / suspending arrangements should also be checked and attended as necessary. Care should be taken that the alignment is not disturbed.
4. The electrician will also maintain the Internal electrical installations, external electrical installations including façade lights, substation, Transformers, Diesel generators, operation of the water pumps, solar panel, checking and maintaining of the batteries related with these installations.
5. The scope also includes operating the STP (Sewage Treatment Plant) for day to day operations and upkeep of the plants in the building.
6. The contractor's staff has to carry out preventive maintenance of Electrical installation periodically in free time.
7. The Electrician has to switch off Electrical Gadgets/Appliances in the evening every working day after 6.00 PM provided that no persons are working and should complete the work up to 8.00 PM. All lights, Fans, split Air-conditioners, Printers, Computers, etc which are not in service should be switched off immediately after 6.00 PM. This exercise is to be done not only as a Fire safety measure but also to save Electricity Charges.
8. UPS power supply is essential and critical loads should not be switched off unless otherwise instructed. UPS power supply to normal computer systems and Printers other than Server, which are not in use, has to be switched off if left out by employees in ON condition.
9. Operation & maintenance of floor-wise internal SDB's, PDB/LDB's, and other electrical LT panels connecting various loads and equipments.
10. Replacement of defective components like MCBs/ELCBs/switchgears and such other components. While the cost of such materials will be met by the Bank, the cost of labour, tools, carriages and such other incidental expenditures etc., has to be borne by the contractor.

11. Replacement of defective bulbs, chokes, fans, switches, regulators. The items will be supplied by Bank and such other minor related works as & when situation arises or instructed by Bank.

12. Operation & maintenance of yard lights and external building lightings during specified hours and as detailed in Point (03) above.

13. Minimum utilization of the power is to be ensured by continuous monitoring of the electrical distribution on daily by switching off the electrical loads when not in use without disturbing the office.

14. The Contractor shall undertake once in a year insulation resistance test on the main LT Panel, DG Panels, other electrical panels, cables etc.,

15. UPS SYSTEM:

- I. The building is equipped with centralised UPS systems at various floors and places with batteries for UPS back up. The UPS systems are maintained through annual maintenance contract with respective suppliers, however the electrical aspects and batteries are to be monitored under this contract. Monitoring of UPS, Battery shall be under the scope of this contract.
- II. Periodical top up with distilled water & application of jelly for preventing rust to be done under this contract.

II. Sub Station :-

Contractor shall do maintenance & operation of substation system in shifts, seven days a week including holidays and Sundays.

1. HT Sub-station with 2 Nos. of 1500 KVA Transformers with allied equipments.
2. LT control panel with 2 Nos. EB power incomers/DG power incomers, outgoing feeders and bus-bar arrangement with power factor correction panel with Bus coupling arrangement.
3. Two DG sets with AMF panel (Both of 750 KVA DG set).
4. Floor level Distribution panels controlled by LT outgoing, each distribution panels in turn have outgoing to LDB/PDB and other direct 3 phase appliances like UPS etc. Also Distribution panel which controls pump house and annexed block.
5. Dedicated power connection and earthing to UPS System, Air-Conditioners, pumps etc., installed at Circle Office.
6. Street lighting and yard lighting, lightings of the all the blocks in the Circle Office building

7. All the internal wiring in the main building are wired using copper wire supported by MCB's And MCB's at PDB/LDB level.
8. Operation of 1500 KVA, Sub-station with 2 Nos. 750 KVA, 11000/ 415 volts transformers and its panels, which also includes tap changing to the required voltage and general up-keep of sub-station yard.
9. Preventive & regular maintenance, fault analysis- rectification and restoration of power without major inconvenience in co-ordination with **TATA** officials as per statutory provisions.
10. Responsibilities include maintaining the power factor at required level, energy management within prescribed maximum demand and power allocations from time to time as directed. Day to day recording of power consumption, electrical parameters, maintenance of records, submission of such statements on daily/ weekly / monthly basis in a prescribed format to be finalised on consultation with Bank.
11. Necessary checks for transformers like oil temperature, Dielectric strength and servicing of sub-station as per EB norms or as directed by CEIG, Schedule of programme and proposed plan of action in advance should be furnished and attended to in consultation with Bank officials/ in charge.
12. HT panel, LT Panel, AMF panel, power factor panel, its operation and periodical cleaning of contacts, preventing loose contacts and terminal burn-outs according to the site conditions.
13. Checking of UG cables, monitoring its temperature, general conditions and allied aspects connected with cables.
14. Liaisoning with the concerned TATA OFFICIALS/CEIG/CEA officials connected with operation & maintenance of the installation /works and following the system and procedure as directed.
15. Record of readings for voltage (HV/MV/Battery), current (HV/MV/battery), power (MD), Temperature (max.) of oil, ambient temperature, and P.F. (and frequency where frequency meter is already installed.)
16. Load on each outgoing feeder may be checked by clip on ammeter, once in every month, preferably during peak seasons, so that redistribution, if any needed among the feeders could be further examined if required.
17. Check that the ventilators are clear to exhaust and fans are operational. The approach to equipment rooms, and yards in and outdoor installations should be clear.
18. '**CAUTION**': Never attempt to clean equipments with exposed (bare) bushing, with supply ON. Periodicity of cleaning such equipment may be increased to once a month or longer as felt in order, so as to avoid frequent switching operations.

19. Observe for any abnormal noise, vibration, smell (usually due to overheating), excess temperature etc. If so, investigate the reason immediately. Radiators of transformers, LT busbar chamber and LT SFU / FSUs and main LT cables (near terminations) may be touched externally to feel any undue heating. Apart from smell, the shine on PVC may reduce due to local heating.
20. Check the oil leakage from transformer radiator / body bushing / valves.
21. Check the battery. Top up as necessary with distilled water in lead Acid batteries. Check the specific gravity. Examine the trend of the voltage readings from log book. If the drop is considerable, the cause needs to be investigated. Clean the battery terminals if required and apply petroleum jelly to avoid corrosion.

III. Diesel Generating Sets :-

Contractor shall operate and maintain DG sets round the clock seven days in a week including holidays and Sundays.

Daily routine checks:

1. Keep the DG set clean. Wipe out dirt from external surface of engine, generator and control panels.
2. Check the level of diesel in daily service tank, lub oil in engine crank case, and (in case of water cooled engines) water in radiator. Fill/ top up as necessary.
3. Inspect the engine for any leakage for leakage of diesel oil, engine (lub) oil and coolant in the respective systems.
4. Record the readings of voltage of supply, and engine battery voltage.
5. As mentioned, the existing DG sets shall be operated as per its manual of instruction. The DG sets maintenance will be done periodically through the authorized agencies. The scope of work involves calling them as per terms of AMC for its 'B', & 'C' checks. The scope of this contract involves the Contractor to maintain the periodical events and in its follow up for scheduled preventive checking and maintenance.
6. Irrespective of EB failure, all the DG sets shall be started and run for at least 10 minutes every day daily in the morning before office hours for its proper up-keep. Filling up of radiator water, fuel, lubrication oil etc., shall be regularly attended to on daily basis.
7. Day to day operation, recording of data like Date of maintenance works (B, C, D Checks etc.) carried out, maintenance of record regarding daily power consumption, maintaining the stock of fuel etc., and submission of statements as required shall be undertaken.
8. Follow up with CEIG/CEA Office, submission of DG power statement and any other related work with statutory authorities in this connection shall also be undertaken.

IV. WET RISER SYSTEM :

1. Check water level in base tank and operate pumps.

2. Check up the water in the collection chamber and operate the priming pump as and when required.
3. Check pump sets for excessive gland leakage/vibrations and heating and take corrective measures.
4. Check the leakage through valves/pipe etc and take corrective measures.
5. Check the water in radiator.
6. Check the batteries for its healthy charging and its charges.
7. Test run of Fire Pumps and recording the readings for voltage, current, power etc as per the direction of Engineer -In- Charge.
8. Checks to be done in auto mode for
 - i) External Hydrants : 1 No. each in one week
 - ii) Internal Hydrants : 2 Nos. each in one week
9. Check water pressure in hydrant System and sprinkler system daily and ensure that required pressure is maintained at all times.

V. FIRE DETECTION SYSTEM:

1. Maintaining and up-keeping of every associated equipment and installation such as intelligent addressable type main control panel, repeater panel, heat detectors of all types, addressable detectors, associated wiring, batteries, mimic diagrams and ensuring their proper functioning at all times. Any defect will immediately be brought to the notice of the Bank and immediate steps to rectify the same will be initiated.
2. Carrying out diagnostic tests and checks on the FA (Fire Alarm) system, zonal and repeater panels, associated sub-systems and installations to ensure their healthy condition and availability of expected services all the time i.e getting the same tested as required.
3. Carrying out maintenance routine as specified below and at the specified frequency, I/C recording of results in prescribed formats and getting the same signed by the Bank officials.
4. The repairing, fault finding and rectifying the fault I/C replacement (if necessary) of control panel/ repeater panel/ unarmoured cable, battery, amplifier, speakers, Hooter, Manual call point within the scope of work.

MAINTENANCE SCHEDULE FOR FIRE ALARM SYSTEM:

ACTIVITY	PERIODICITY
Inspect the Fire Alarm System	Weekly
Associated E&M Components Check other components associated with Fire Safety	Fortnightly
Check Operation of Control Panels of Fire Alarm	Monthly

Clean the fire detectors and also test integrity of the firm alarm system	Quarterly
---	-----------

(a) Weekly Inspection of AFAS (Addressable Fire Alarm System) :-

- i) Clean all the control panels, sounders and call boxes.
- ii) While cleaning each panel, verify whether any fault indication lamps is on. If it is on with or without an alarm, investigate and rectify the fault.
- iii) Check whether all panel lamps are healthy by the “Panel lamp test button” in each panel.
- iv) Check that the system operates under mains failure conditions, by switching of the mains supply to the C & I panel and testing and zone for fault/ fire condition from the zonal panel. Confirm also that the audio visual alarm comes up in the C & I panel. Restore mains supply after the test.
- v) Log all the panel instruments in C & I panel.
- vi) If lead Acid type battery is used for FAS (Fire Alarm System) systems check the electrolyte level (and top up with distilled water, as required) and specific gravity.

(b) Associated E&M Components check other components associated with fire safety :-

- i) Inspect the building that the following are complied with viz. that.
- ii) There are no temporary wiring in the building.
- iii) There are no joints in the supply cord for window type AC units or office equipment.
- iv) There is no bare wiring (without metallic conduit or channel cover) over the flooring.
- v) Heaters are not used in record rooms.
- vi) The space in front of SDB’s and other distribution switch boards is kept free. These checks are included in the schedule for EI as well. Check results may be recorded in Registers for both the services.
- vii) Have a joint inspection of the installations with the authorized officer of the client.

(c) Daily Check Operation of Control Panels of Fire Alarm :-

- i) All zonal (sector) panels and C & I panel should be checked.
- ii) Repeater panels if any should also be checked.
- iii) The check is to confirm operation of the system in each zone through the test button in zonal (sector) panel concerned and in the C & I panel and also relevant sounders.
- iv) Check the talk back system from both ends and also PA system of C & I panel.

(d) Quarterly check, clean the fire detectors and also test integrity of the Fire alarm System.

- i) All fire detectors should be cleaned. Do not blow in heavily into the detector. Use a proper suction device. Never leave a detector base without replacement of the detector. Restore the zonal panel, if it was switched off for his operation.
- ii) Check the satisfactory operation of the system by an artificial fire in a bucket keep necessary extinguishers with you, before this test, as abundant precaution.

6. Arranging for the demonstrations to the effect of healthy condition of system and its availability once a month on the dates as decided by the Bank officials including arranging for the additional demonstrations as and when called for.
7. The scope of replacement of spares (excluding the material cost) required for keeping system operational is included.
8. Attending to the internal electronic/ electrical faults in the main panel, zonal panel and circuit wiring, amplifier and pre-amplifier of PA system speakers and mimic panels etc as and when they occur including procurement of components, assemblies cards and replacement of same within the quoted cost.
9. Bringing to the immediate notice of the Bank any defect/malfunctioning of any of the system, sub system or equipment and machinery which requires attention of the Bank if not otherwise covered by the scope of the contract.

VI. DRINKING WATER PUMP SETS & DEWATERING PUMPS:

Operation of pump sets shall be carried out round the clock in shifts, 7 days in a week.

1. Prime the pumps, if necessary, before starting. Check water level in over head tanks and operate pumps.
2. To inform the Bank officials, if any major faults developed in the pump set operation.
3. To check the control panels, replace the consumable spare parts such as fuses etc.
4. To check all inlet/ outlet valves, to stop leakages in pipe lines, replace the washers if required.
5. Close monitoring of Dewatering pump during Monsoon seasons to avoid flooding in the basement.

VII. LIFT:

1. The operation of lifts will be provided as per the pattern decided by Bank officials from time to time.
2. The lift operator shall be qualified as per the local regulations and trade practice.
3. Weekly performance report shall be submitted in the proforma.
4. In case of breakdown, operator should inform Bank officials and maintenance authorities.
5. The break down complaint shall be registered with lift maintenance firm by the respective lift operators and the records shall be maintained for the same.

VIII. Plumbing services:

Deploying trained plumber as specified for Checking of all water supply and drainage lines, attending to leakages, removing the blockades if any, ensuring proper functioning of all

plumbing/sanitary/drainage fixtures, attending to minor repairs and carrying out replacement of CP fittings required.(excluding the cost of the material)

The plumber should also assist in other miscellaneous works in day to day activities.

IX. GARDENER:

1. Maintaining the garden/landscaped area provided in the building both at the ground level at present and at terrace level the shrubs. Scope includes manuring to the garden soil, doing pesticide etc and with the required accessories/ implements/ equipments at including deploying one No. of gardeners/ one No. of helpers.
2. Maintenance of garden features in the garden area i.e. Lawn, Mounds Topiary, Rose beds etc. Making top dressing of the garden area with good earth and manure as per the direction of the Bank officials. Removal of the garden rubbish from the premises. Spray of the pesticides/ insecticides, application of the chemical fertilizers etc.
3. Maintenance of shrubs including tripping, clipping, shaping as and when required making of basins regular watering, weeding, hoeing, forking of basins, Manuring & insecticides/ pesticides.
4. Maintenance of hedge & edge including clipping of Hedge / edge (once in month or twice in a month during rainy season or as per direction of Bank officials. Making Hedge/ edge beds clean and in proposer shape, watering, manuring and applying insecticides and fungicides etc. (Excluding the cost of the material).
5. Maintenance of sapling in pots(potted plant for one store, for multi store)/ polyethylene bags including resting/ shifting of place within nursery site, regular weeding, watering light clipping, manuring application of chemical and fertilizers.

X. SECURITY SURVEILLANCE AND AUDIO VIDEO SYSTEM:

The operator service are required except on Sundays & holidays.

Scope of the work under preventative maintenance for CCTV:

1. The check the recording in DVR is proper.
2. To view the recording in Live & playback mode
3. To check the power supply, focusing angle of the camera.
4. To check the positioning and functioning of cameras and DVRs.
5. Maintaining service reports on closure of complaints.
6. Check storage media for storing required duration of recording.

Scope of Work under Preventive Maintenance for Access Control System:

- Check for the connectivity of readers with controllers
- Check for the status of readers.
- Check for the status of locks.
- Check the status of fire to access integration.
- Check the database

Scope of Work under Preventive Maintenance for Public Address System:

- Check all the speakers.

- Check the amplifiers.
- Check the volume controllers.
- Check the microphone device
- Testing of the PA System to resolve any abnormality in the system

Scope of Work under Video Conference Equipment:

- Check connectivity of equipment.
- Check operation of all cameras. Clean camera lenses.
- Check functional efficiency of the equipment.
- Operate equipment at short notice.

Scope of Work under Video Projector system in Auditorium:

- Check functional efficiency of the equipment.
- Clean projector lenses.
- Operate equipment at short notice.

Scope of Work under boom barrier:

- Check function of barrier
- Check & Maintain operating mechanism.

Scope of Work under pop up bollards:

- Check operation of bollards
- Update software periodically
- Clean and maintain entire mechanism

XI. CARPENTER:

Carpenter has to check and maintain all the furniture, glass and wooden doors (except the automatic sliding glass doors) door closures, floor springs. They have to rectify the defects of the steel and wooden furniture including attending the minor repairs. The price should include the cost of all tools and tackles for attending the job.

XII: Sewage Treatment Plant :-

The Scope of work include

- Operation and non Comprehensive maintenance of the Plant complying the Pollution Control Board/ Environmental norms/Labour laws and fit for horticulture and other non critical uses.
- Operation of Pumps, filters rotors, Aerators, Sludge Pumps, attached valves etc pertaining to STP, Collection well, Settling Tank.
- Maintaining the process parameters like PH , TDS,MLSS, BOD, COD,TSS etc.
- Checking the oil/lubricant level of all equipment, Greasing of Bearing and Gears etc, tightening of Nut and Bolts. Cleaning of all equipment and accessories.

Installations to be operated and maintained at Canara Bank's office building at BKC, Mumbai

Section 1 - Commitments of the Principal

- (1) The Principal commits itself to take all measures necessary to prevent corruption and to observe the following principles:-
 - a) No employee of the Principal, personally or through family members, will in connection with the tender for, or the execution of a contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.
 - b) The Principal will, during the tender process treat all Bidder(s) with equity and reason. The Principal will in particular, before and during the tender process, provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential/ additional information through which the Bidder(s) could obtain an advantage in relation to the tender process or the contract execution.
 - c) The Principal will exclude from the process all known prejudiced persons.
- (2) If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the IPC/PC Act, or if there be a substantive suspicion in this regard, the Principal will inform the Chief Vigilance Officer and in

addition can initiate disciplinary actions.

Section 2 - Commitments of the Bidder(s)/ Contractor(s)

- (1) The Bidder(s)/ Contractor(s) commit themselves to take all measures necessary to prevent corruption. The Bidder(s)/ Contractor(s) commit themselves to observe the following principles during participation in the tender process and during the contract execution.
- The Bidder(s)/ Contractor(s) will not, directly or through any other person or firm, offer, promise or give to any of the Principal's employees involved in the tender process or the execution of the contract or to any third person any material or other benefit which he/ she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the tender process or during the execution of the contract.
 - The Bidder(s)/ Contractor(s) will not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to introduce cartelisation in the bidding process.
 - The Bidder(s)/ Contractor(s) will not commit any offence under the relevant IPC/PC Act; further the Bidder(s)/ Contractor(s) will not use improperly, for purposes of competition or personal gain, or pass on to others, any information or document provided by the Principal as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.
 - The Bidder(s)/ Contractor(s) will, when presenting their bid, disclose any and all payments made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract.
 - Bidder(s)/Contractor(s) who have signed the Integrity Pact shall not approach the Courts while representing the matter to IEMs and shall wait for their decision in the matter.
- (2) The Bidder(s)/ Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.

Section 3 - Disqualification from tender process and exclusion from future contracts

If the Bidder(s)/Contractor(s), before award or during execution has committed a transgression through a violation of Section 2, above or in any other form such as

to put their reliability or credibility in question, the Principal is entitled to disqualify the Bidder(s)/Contractor(s) from the tender process or take action as below -

(1) Any breach of the provisions herein contained by the BIDDER/SELLER /CONTRACTOR/SERVICE PROVIDER or any one employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER/SELLER/CONTRACTOR/SERVICE PROVIDER shall entitle the BUYER to take all or any one of the following actions, wherever required:-

- a) To immediately call off the pre-contract negotiations without assigning any reason or giving any compensation to the BIDDER/ SELLER/ CONTRACTOR/ SERVICE PROVIDER. However, the proceedings with the other BIDDER/ SELLER/ CONTRACTOR/ SERVICE PROVIDER(s) would continue.
- b) To forfeit fully or partially the Earnest Money Deposit (in pre-contract stage) and/or Security Deposit/Performance Bond (after the contract is signed), as decided by the BUYER and the BUYER shall not be required to assign any reason therefor.
- c) To immediately cancel the contract, if already signed, without giving any compensation to the BIDDER/ SELLER/ CONTRACTOR/ SERVICE PROVIDER.
- d) To recover all sums already paid by the BUYER, and in case of the Indian BIDDER/SELLER/CONTRACTOR/SERVICE PROVIDER with interest thereon at 2% higher than the prevailing Prime Lending Rate of CANARA BANK while in case of a BIDDER/SELLER/CONTRACTOR/SERVICE PROVIDER from a country other than India with Interest thereon at 2% higher than the LIBOR. If any outstanding payment is due to the BIDDER/SELLER /CONTRACTOR from the BUYER in connection with any other contract such outstanding payment could also be utilized to recover the aforesaid sum and interest. The BUYER shall also be entitled to recover the replacement costs from BIDDER/SELLER/CONTRACTOR/SERVICE PROVIDER.
- e) To encash the advance bank guarantee and performance bond/ warranty bond, if furnished by the BIDDER/ SELLER/ CONTRACTOR/ SERVICE PROVIDER, in order to recover the payments, already made by the BUYER, along with interest.
- f) To cancel all or any other contracts with the BIDDER/ SELLER/ CONTRACTOR/ SERVICE PROVIDER and the BIDDER/ SELLER/ CONTRACTOR/ SERVICE PROVIDER shall be liable to pay compensation for any loss or damage to the BUYER resulting from such cancellation/rescission and the BUYER shall be entitled to deduct the amount so payable from the money(s) due to the BIDDER/ SELLER/ CONTRACTOR/ SERVICE PROVIDER.
- g) To debar the BIDDER/SELLER/CONTRACTOR/SERVICE PROVIDER from participating in future bidding processes of the BUYER for a minimum period of five years, which may be further extended at the discretion of the BUYER.
- h) To recover all sums paid in violation of this Pact by BIDDER/ SELLER/ CONTRACTOR/ SERVICEPROVIDER(s) to any middlemen or agent or broker with a view to securing the contract.
- i) In cases where irrevocable Letters of Credit have been received in respect of any contract signed by the BUYER with the BIDDER/ SELLER/ CONTRACTOR/ SERVICE PROVIDER, the same shall not be opened.
- j) Forfeiture of The Performance Bond in case of a decision by the BUYER to forfeit the same without assigning any reason for imposing sanction for violation of this Pact.

k) The BIDDER/ SELLER/ CONTRACTOR/ SERVICE PROVIDER shall not lend to or borrow any money from or enter into any monetary dealings or transactions, directly or indirectly, with any employee of the BUYER, and if he does so, the BUYER shall be entitled forthwith to rescind the contract and all other contracts with the BIDDER/ SELLER/ CONTRACTOR/ SERVICE PROVIDER. The BIDDER/SELLER/ CONTRACTOR shall be liable to pay compensation for any loss or damage to the BUYER resulting from such rescission and the BUYER shall be entitled to deduct the amount so payable from the money(s) due to the BIDDER/ SELLER/ CONTRACTOR/ SERVICE PROVIDER.

(2) The BUYER will be entitled to take all or any of the actions mentioned as per above clause - 1 (a) to (k) of this Pact, also in the event of commission by the BIDDER/ SELLER/ CONTRACTOR/ SERVICE PROVIDER or anyone employed by it or acting on its behalf (whether with or without the knowledge of the BIDDER), of an offence as defined In Chapter IX of the Indian Penal code, 1860 or Prevention of Corruption Act, 1988 or any other statute enacted for prevention of corruption.

(3) The decision of the BUYER to the effect that a breach of the provisions of this pact has been committed by the BIDDER/ SELLER/ CONTRACTOR shall be final and conclusive on the BIDDER/ SELLER / CONTRACTOR. However, the BIDDER/SELLER/CONTRACTOR/SERVICE can approach the Independent External Monitor (s) appointed for the purpose of this pact.

Section 4 - Compensation for Damages

(1) If the Principal has disqualified the Bidder(s) from the tender process prior to the award according to Section 3, the Principal is entitled to demand and recover the damages equivalent to Earnest Money Deposit/ Bid Security.

(2) If the Principal has terminated the contract according to Section 3, or if the Principal is entitled to terminate the contract according to Section 3, the Principal shall be entitled to demand and recover from the Contractor liquidated damages of the Contract value or the amount equivalent to Performance Bank Guarantee.

Section 5 - Previous Transgression

(1) The Bidder declares that no previous transgressions occurred in the last three years with any other Company in any country conforming to the anti-corruption approach or with any Public Sector Enterprise in India that could justify his exclusion from the tender process.

(2) If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or action can be taken as mentioned in section 3, clause - 1a to 1k).

Section 6 - Equal Treatment of all Bidders/ Contractors/ Subcontractors

1. In case of Sub-contracting, the Principal Contractor shall take the responsibility of the adoption of Integrity Pact by the Sub-contractor.
2. The Principal will enter into agreements with identical conditions as this one with all Bidders and Contractors.
3. The Principal will disqualify from the tender process all bidders who do not sign this Pact or violate its provisions.

Section 7 - Criminal charges against violating Bidder(s)/ Contractor(s) / Subcontractor(s)

If the Principal obtains knowledge of conduct of a Bidder, Contractor or Subcontractor, or of an employee or a representative or an associate of a Bidder, Contractor or Subcontractor which constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the same to the Chief Vigilance Officer.

Section 8 - Independent External Monitor

1. The Principal appoints competent and credible Independent External Monitor for this Pact after approval by Central Vigilance Commission. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.
2. The Monitor is not subject to instructions by the representatives of the parties and performs his/her functions neutrally and independently. The Monitor would have access to all Contract documents, whenever required. It will be obligatory for him/her to treat the information and documents of the Bidders/Contractors as confidential. He/ she reports to the Managing Director, CANARA BANK.
3. The Bidder(s)/Contractor(s) accepts that the Monitor has the right to access without restriction to all Project documentation of the Principal including that provided by the Contractor. The Contractor will also grant the Monitor, upon his/her request and demonstration of a valid interest, unrestricted and unconditional access to their project documentation. The same is applicable to Sub-contractors.
4. The Monitor is under contractual obligation to treat the information and documents of the Bidder(s)/ Contractor(s)/ Sub-contractor(s) with confidentiality. The Monitor has also signed declarations on 'Non-Disclosure of Confidential Information' and of 'Absence of Conflict of Interest'. In case of any conflict of interest arising at a later date, the IEM shall inform the Managing Director, CANARA BANK and recuse himself / herself from that case.

5. The Principal will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the Principal and the Contractor. The parties offer to the Monitor the option to participate in such meetings.
6. As soon as the Monitor notices, or believes to notice, a violation of this agreement, he/she will so inform the Management of the Principal and request the Management to discontinue or take corrective action, or to take other relevant action. The monitor can in this regard submit non-binding recommendations. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action.
7. The Monitor will submit a written report to the Managing Director, CANARA BANK within 8 to 10 weeks from the date of reference or intimation to him by the Principal and, should the occasion arise, submit proposals for correcting problematic situations.
8. If the Monitor has reported to the Managing Director, CANARA BANK, a substantiated suspicion of an offence under relevant IPC/ PC Act, and the Managing Director, CANARA BANK has not, within the reasonable time taken visible action to proceed against such offence or reported it to the Chief Vigilance Officer, the Monitor may also transmit this information directly to the Central Vigilance Commissioner.
9. The word 'Monitor' would include both singular and plural.

Section 9 - Pact Duration

This Pact begins when both parties have legally signed it. It expires for the Contractor 12 months after the last payment under the contract, and for all other Bidders 6 months after the contract has been awarded. Any violation of the same would entail disqualification of the bidders and exclusion from future business dealings.

If any claim is made / lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged/ determined by the Managing Director, CANARA BANK.

Section 10 - Other provisions

1. This agreement is subject to Indian Law. Place of performance and jurisdiction is the Registered Office of the Principal, i.e. _____.
2. Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.

3. If the Contractor is a partnership or a consortium, this agreement must be signed by all partners or consortium members.
4. Should one or several provisions of this agreement turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
5. Issues like Warranty /Guarantee etc. shall be outside the purview of IEMs.
